Your Group Short Term Disability Insurance has been designed to provide financial help for you when a covered loss occurs. This plan has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by that Group Policy, the administration and payment of claims will be done by Us as an insurer.

Members rights and benefits are determined by the provisions of the Group Policy. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

The effective date of your insurance is as shown on your enrollment form.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future plan changes, you will be provided with a new booklet-certificate or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your employer if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

The group insurance policy and your coverage under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

In administering the benefits provided under the Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

We reserve discretion to construe or interpret the provisions of the Group Policy, to determine eligibility for benefits, and to determine the type and extent of benefits, if any, to be provided. Our decisions in such matters will be between Us and the persons covered by this group insurance. This provision does not alter or reduce your right to appeal Our decision, to file a grievance, or to seek relief from the Tennessee Department of Insurance, or to seek action in a court of law.

The insurance provided in this booklet is subject to the laws of the state of TENNESSEE.

Termination, Continuation, and Reinstatement

Termination of Insurance

Your insurance will terminate on the earliest of:

You are considered to be continuously Disabled if you are Disabled from one condition and, while still Disabled from that condition, incur another condition that causes Disability.

Continuation

You may qualify to have your insurance continued under one or more of the continuation provisions below. If you qualify for continuation under more than one provision, the longest period of continuation will be applied, and all periods of continuation will run concurrently.

Continuation and Reinstatement - Sickness, Injury, or Pregnancy

If you cease Active Work due to sickness, injury, or pregnancy, your insurance can be continued subject to payment of premium, until the earliest of:

- b. the end of the Insurance Month in which you recover; or
- c. the date 92 days after Active Work ends.

If a Benefit Payment Period is established, your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date the Benefit Payment Period ends. Your reinstated insurance will be in force on the date of return to Active Work.

If you do not qualify to have a Benefit Payment Period begin, insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

Proof of Good Health will be required to place in force any Benefit Payable that would have been subject to Proof of Good Health had you remained continuously insured.

Continuation and Reinstatement - Layoff or Leave of Absence

If you cease Active Work due to layoff or leave of absence, your insurance can be continued, subject to premium payment, until the earlier of:

- a. the date insurance would otherwise terminate as provided in items a. through e. above; or
- b. the end of the Insurance Month in which Active Work ends.

Your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

CLAIM PROCEDURES

Notice of Claim

Written notice of claim must be given to Us within 20 calendar days after the date of loss for which claim is being made. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Claim Forms

Claim forms and other information needed must be filed with Us in order to make a claim determination. The Policyholder will provide forms to assist you in filing claims. If notice is given and the completed forms are not provided within 15 days after We receive such notice, you will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of Disability, Written proof covering the occurrence, character and extent of the loss.

Proof of Disability

Completed claim forms and other information needed to prove Disability should be filed promptly. Written proof that Disability exists and has been continuous should be sent to Us within 90 days after the date you complete an Elimination Period. Proof required includes the date, nature, and extent of the loss. Further proof that Disability has not ended must be sent when requested by Us. Failure to furnish such proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within such time; provided, that the proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider, Internal Revenue Service, Social Security Administration or any other entity required for Proof of Disability or Earnings Documentation. We reserve the right to determine when these conditions are met. Your failure to comply with such request could result in declination of the claim. Receipt of claim will be considered met when the Elimination Period has been completed and the appropriate completed claim form is received by Us.

Documentation of Loss

We must receive satisfactory Written proof of loss. Until We receive the proof of loss requested, benefits will not be paid. Proof of loss may include:

- a. Any requested claim form including claim forms from you or your Physician.
- b. Documentation that you are under Regular and Appropriate Care by a Physician.
- c. Copies of medical records, test results and/or Physician's progress notes.
- d. Occupation information, such as documentation of work duties and activities. This may include your job description or appointment calendar from the Policyholder or your current employer.
- e. Independent medical examination(s) (see Examinations and Evaluations in this section).
- f. Any Written authorizations necessary, signed by you, on a form supplied by Us, to obtain medical and financial records and information needed to determine your eligibility for benefits.
- g. Earnings Documentation.
- h. Other proof of loss as required by Us.

Earnings Documentation

We may require proof to determine your Predisability Earnings and Current Earnings. A company representative has the right to examine your financial and business records, including your individual and business Federal income tax returns and supporting documentation, as often as We may require. In addition, We reserve the right to request such documentation to verify benefits were paid appropriately during the year. In the event benefits have not been paid appropriately, any overpayment of benefits determined would be recovered as outlined in Right to Recover Overpayments.

Investigation of Your Claim

We may conduct an investigation of your claim at any time, which may include a personal interview with a company representative. Benefits may not be payable until We have had a reasonable time to conduct an investigation of your claim and determine that benefits are payable.

Any costs involved in submission of proof of loss or earnings documentation are your responsibility to pay, except for costs incurred by Us for copies of medical records, test results and/or Physician's progress notes and independent medical examination(s) as shown under Documentation of Loss above or personal interview or financial examination.

Once your claim is approved, no benefits will be continued beyond the end of the period for which you have provided Us with satisfactory proof of loss. We will require you to provide additional documentation of your claim, at your expense, at reasonable intervals while you are claiming Disability.

If you provide false, incomplete, or misleading information including omissions on any statement you make to obtain coverage, an increase in coverage, or when filing a claim, We will deny the claim. If you knowingly and with intent to injure, defraud, or deceive provided or omitted information, you will be subject to prosecution and punishment to the fullest extent under state and/or federal law.

Proof of Disability while outside the United States

- c. You must notify Us in advance of any return to the United States and your change of address.

Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements, receipt of claim will be considered met when the Elimination Period has been completed and the appropriate claim form is received by Us.

In administering the benefits provided under the Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

Payment, Denial, and Review

Claims will normally be processed within 45 days from receipt of the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to the claimant regarding the extension.

In actual practice, benefits under the Group Policy will be payable sooner, provided We receive complete and proper proof of Disability. Further, if a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for the denial.

The claimant may request an appeal of a claim denial by Written request to Us within 180 days of receipt of notice of the denial. We will make a full and fair review of the claim. We may require additional information to make the review. We will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because We did not receive the requested additional information, We will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed 45 days to provide all additional information requested. We are permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension.

For purposes of this section, "claimant" means Member.

Proof of Payments from Other Income Sources

When asked, you must give Us:

- a. proof of all payments from Other Income Sources; and
- b. proof of application for all such income for which you and your Dependents are eligible; and

Lump Sum Payments from Other Income Sources

If any income from Other Income Sources are payable in a lump sum (except as described below), the lump sum will be deemed to be paid in weekly amounts prorated over the time stated. If no such time is stated, the lump sum will be prorated weekly over the remaining Benefit Payment Period. Lump Sum Payments under:

- a. a retirement plan will be deemed to be paid in the weekly amount which:
 - (1) is provided by the standard annuity option under the plan as identified by the Policyholder; or
 - (2) is prorated under a standard annuity table over the remaining Benefit Payment Period (if the plan does not have a standard annuity option);
- b. a Workers' Compensation Act or other similar law (which includes benefits paid under an award or a settlement) will be deemed to be paid weekly starting from the date of the last Workers' Compensation payment issued to you, or if no previous payments were issued, starting from the onset of the Benefit Payment Period:
 - (1) at the rate stated in the award or settlement; or
 - (2) at the rate paid prior to the lump sum (if no rate is stated in the award or settlement); or
 - (3) at the maximum rate set by the law (if no rate is stated and you did not receive a periodic award).
- c. salary continuance or sick leave program for Members whose annual contract salary is issued on a 12 month basis will be deemed to be paid in a weekly amount which is equal to $(1/52)$ of your annual contract salary in effect prior to the date Disability begins.

Any lump sum payment for Other Income Sources due prior to the date of the award will be treated as an overpayment. See Right to Recover Overpayments section below.

Social Security Estimates

If it is reasonable that the disability will qualify and amounts can be estimated, until exact amounts are known, We may estimate the Social Security benefits for which you and your Dependents are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to disability benefits under the Federal Social Security Act, We will require that you:

- a. apply for disability benefits within 60 days after receipt of Written notice from Us requesting you to apply for such benefits; and
- b. give satisfactory proof within 60 days after receipt of Written notice from Us that you have applied for these benefits within the 60-day period; and
- c. request reconsideration of the application for Social Security benefits if the original application is denied, and appeal any denial or reconsideration if an appeal appears reasonable.

If you are unable to apply for Social Security Disability benefits within 60 days of receipt of written notice from Us as described above, We will allow you to apply within a reasonable period of time. Benefits will not be offset by estimated benefits during this time.

Other Disability Coverage Estimates

If it is reasonable that the disability will qualify and amounts can be estimated, until exact amounts are known, We may estimate benefits from Workers' Compensation, any other occupational disease law or similar act, Canadian pension Plan, Quebec pension Plan, Railroad Retirement Act or other similar plan or act, Jones Act, or state compulsory/statutory benefit law for which you are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to benefits under the sources listed above, We will require that you:

- a. apply for benefits within 60 days after receipt of Written notice from Us requesting you to apply for such benefits; and
- b. give satisfactory proof within 60 days after receipt of Written notice from Us that you have applied for these benefits within the 60-day period.

STATEMENT OF RIGHTS

Federal law requires that this section be included in your booklet:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
