

2022 PREVENTIVE MEDICATIONS LIST - GENERIC

Your employer has elected to provide several common preventive care medications at no cost to you.

Depending on your plan, some of the preventive care medications on this list may require prior authorization in order to be covered at no cost. If you are asked for a prior authorization, please notify your doctor. Please note if you are prescribed a brand medication that has a generic, only the generic is covered at no cost to you.

If you have questions about a specific drug, you have resources at your fingertips.

- Download the True Rx Health Strategists mobile app and use the search box for the medication.
- Our customer service representatives are experts in your pharmacy benefits plan. Call customer service at 866-921-4047 between 8:00am and 6:00pm EDT Monday through Friday.
